PRODUCT

INTRODUCTION

The **OUTDOOR BOX KITCHEN** is an intelligent outdoor barbecue cabinet designed by **BOGEQI** specifically for outdoor barbecue gatherings. This product is being launched globally and has already entered markets in Europe, America, Australia, Russia, and the Middle East. The main body of the barbecue cabinet is made of food-grade **SUS304 stainless steel**, ensuring optimal performance during outdoor use. It features voice-controlled opening and closing of the cabin door, RGB ambient lighting, and voice control for devices such as TVs, speakers, ice makers, and wine dispensers, providing a comprehensive high-quality experience for family outdoor gatherings. **We are committed to delivering an extraordinary experience for every user, making them the shining focus of social events.**
